

Cleanse - Tone & Scrub

Kaolin Cleanser **150 / 285 ml**
A wonderfully refreshing and gently exfoliating everyday facial wash and makeup remover. Massage the cleanser into your skin with circular movements and then leave it on if you wish for a minute or two to enjoy extra benefits from the active clays and essential oils. Rinse off with warm water, repeat and follow with a skin toner and moisturise if necessary.

Ingredients: Purified water, Green French and Australian clays, plant derived emulsifier, cold pressed soyabean, sweet almond, olive, macadamia, safflower and apricot kernel oils, glycerine, extract of Japanese honeysuckle and pure essential oils of rosemary, cypress, lemon tea tree and peppermint.

Aloe Vera and Cucumber Skin Toner **55/ 150 ml**
Fresh and light, a beautiful way to close pores, balance your skin after cleansing and to prepare for moisturising. Apply the toner on a cotton pad and wipe gently over your face and neck, avoiding your eyes or simply pat it on after cleansing.

Ingredients: Witch hazel, aloe vera gel, cucumber water, chlorophyll in soya-bean oil and essential oils of lemon, lime, chamomile, tea tree and rosemary.

Exfoliating Scrub **65 ml**
Packed full of luscious organic ingredients, this facial scrub which can double as a mask will soften, nourish and exfoliate your skin. Apply a spoonful to your wet face and neck and gently massage. Remove with warm water and a wash cloth or sponge. Finish with a toner, mist or serum.

Ingredients: Organic honey, oat, almond and jojoba meals, kaolin, vegetable glycerine, calendula , jojoba and wheatgerm oils, vitamin C granules, chamomile flowers, and essential oil of peppermint.

Base Mask/Scrub **65 gm**
A potpourri of goodies for your skin, to use as a mask or scrub once or twice a week. Take a spoonful of the dry mix and moisten with whatever ingredient takes your fancy. Some suggestions - the kaolin cleanser, lavender or rose mists, the cucumber toner, water or herb teas, buttermilk, yoghurt, crushed fruits or fruit juices or mashed avocado. Use the mix as an exfoliant for your face, shoulders and neck, or relax and let it dry as a mask.
Ingredients: Kaolin, ultra fine oatmeal, vitamin C and citric acid granules, powdered rice and tea tree leaf, finely ground rose petals, lavender and chamomile flowers and powdered orris root.

Lemon and Rosemary Scrub **120 ml**
A super scrub for exfoliating and moisturising your whole body. Especially good for removing strong cooking smells from hands and ingrained dirt from feet. **Hands:** spoon from the jar and massage with a wringing motion, remove with warm water. **Feet:** best when using a footbath - soak, massage in the scrub and continue soaking in warm water. **Body:** Massage gently all over, bathe or shower with warm water and pat dry. **Be careful!** Olive oil is lovely but can make your bath or shower **slippery**.

Ingredients: Australian lake salts and Dead Sea salts in Australian grown cold pressed olive and grapeseed oils. Pure essential oils of lemon and rosemary.

Hand and Foot Moisturising Scrub **65 ml**
Apply this soap free scrub generously and gently massage for several minutes to deeply moisturise, exfoliate and remove ingrained dirt. Rinse thoroughly with warm water. Pat dry.

Ingredients: Purified water, cold pressed olive oil, lanolin, plant derived emulsifier, cocoa butter, beeswax, ultra fine pumice, sodium borate, tincture of benzoin and essential oils of lemon, rosemary and tea tree.

Clay Masks

Use once or twice per week. **30 ml** 4 - 6 treatments, **65 ml** 8 -12 treatments. Apply after cleansing avoiding mouth and eyes and leave for 10 to 15 minutes. Gently remove with warm water and a wash cloth or sponge. Finish with a skin toner, mist or serum followed by a moisturiser.

White Clay Mask **30 ml / 65 ml**
A soothing and calming mask, ideal for sensitive skin.
Ingredients: Kaolin, white French clay, rose hydrosol, purified water, glycerine, tincture of benzoin, vitamin E, cold pressed oils of evening primrose and roship, extract of Japanese honeysuckle and pure essential oils of lavender, rose absolute and ylang ylang.

Green Clay Mask **30 ml / 65 ml**
A purifying deep cleansing mask that brightens the complexion. Great to dab on blemishes overnight.
Ingredients: French green clay, fullers earth, kaolin, purified water, glycerine, tincture of benzoin, extract of Japanese honeysuckle, pure essential oils of peppermint and tea tree.

Pink Clay Mask **30 ml / 65 ml**
A toning, refining and purifying mask for all skin types.
Ingredients: French pink clay, fullers earth, kaolin, purified water, glycerine, tincture of benzoin, extract of Japanese honeysuckle, borage and roship oils, and essential oils of pettigrain and chamomile.

Moisture Masks

Moisture masks may be used in the same way as clay masks, but are gentle enough to use every day if you wish. They are also a good choice for the neck and décolletage.

Neroli Mask **30 ml / 65 ml**
A calming moisturising mask with stress relieving properties, especially good for normal to dry skin.
Ingredients: Purified water, plant derived emulsifier, glycerine, white French clay, kaolin, tincture of benzoin, cold pressed sweet almond, macadamia, safflower and apricot kernel oils, extracts of Japanese honeysuckle and rosemary leaf, pure essential oils of frankincense, palma rosa, sandalwood and neroli.

Time Saver Mask **30 ml / 65 ml**
Save time in a jar - moisturise, nourish, deep cleanse and exfoliate with added grains of ultra fine pumice. If you're really in a rush, use Time Saver simply as an exfoliating cleanser. A fantastic multi-purpose travel companion.
Ingredients: Purified water, fullers earth, plant derived emulsifier, cold pressed oils of sweet almond, macadamia, apricot and safflower, glycerine, tincture of benzoin, ultra fine pumice, extracts of Japanese honeysuckle and rosemary leaf, pure essential oils of clary sage, patchouli, frankincense, lavender and sandalwood.

Pink Purifying Mud Mask **30 ml / 65 ml**
A deep cleansing, detoxifying, gentle moisture mask, good for all skin types.
Ingredients: Purified water, cold pressed sweet almond, macadamia, safflower and apricot kernel oils, plant derived emulsifier, French pink clay, fullers earth, kaolin, glycerine, tincture of benzoin, extracts of Japanese honeysuckle and rosemary leaf, pure essential oils of palmarosa, cypress, patchouli, lemon, juniper and tea tree.

Moisturise - Face

Whipped Day Cream **30 ml / 65 ml**
Our silky, rich moisturiser, recommended for normal to dry skin, day or night. Apply after cleansing and toning.
Ingredients: Purified water, plant derived emulsifiers, cold pressed oils of sweet almond, macadamia, avocado, apricot, roship and safflower, vegetable glycerine, vit.E, pure essential oils of clary sage, patchouli, frankincense, lavender, sandalwood, tincture of benzoin and extract of Japanese honeysuckle.

Day Cream **30 ml / 65 ml**
Softening and balancing everyday moisturiser, recommended for normal and combination skin that may break out now and again. Apply after cleansing and toning.
Ingredients: Purified water, plant derived emulsifier, cold pressed oils of sweet almond, macadamia, apricot, safflower, jojoba and wheat germ, vegetable glycerine, vitamin E, tincture of benzoin, pure essential oils of palmarosa, cypress, patchouli, juniper, lemon and extract of Japanese honeysuckle.

Night Cream **30 ml / 65 ml**
Feel the benefits of this nourishing cream overnight or use as a day cream if your skin is very dry. Also perfect for facial massage.
Ingredients: Cold pressed oils of sweet almond, macadamia, apricot and safflower, purified water, shea butter, beeswax, healing oils of calendula, wheatgerm, carrot, roship, and evening primrose, vitamin E, sodium borate, rosemary leaf extract and pure essential oils of frankincense, clary sage, sandalwood and lavender.

Cucumber Face Lotion **55 ml or 65 ml pump**
Our lightest moisturising lotion with the calming and soothing benefits of cucumber and jojoba. Apply just a few drops. Suitable for all skin types. Shake well before use.
Ingredients Purified water and cucumber hydrosol, cold pressed oils of sweet almond, macadamia, safflower, apricot kernel and jojoba, plant derived emulsifiers, cocoa butter, extracts of cucumber and Japanese honeysuckle, chlorophyll in soyabean oil, and pure essential oils of bergamot, West Indian lime, lemon and rosemary.

Aloe and Lavender Eye Gel: **18 ml**
A nourishing and refreshing natural gel which tightens, moisturises and helps to get rid of puffiness around the eyes. Half a pump is plenty for both eyes. Apply by gently tapping with your fingertips.
Ingredients: Aloe vera gel, cucumber water, vegetable glycerine, cold pressed oils of borage, grapeseed, avocado & rose hip, green tea extract, vitamin E, extracts of Japanese honeysuckle, grapefruit seed and rosemary leaf, chlorophyll in soyabean oil and pure essential oil of lavender.

Moisture Gel **55ml or 120 ml pump**
This very versatile gel for men or women is a toner, skin softener and ultra light moisturising serum in one. Pat gently on to the skin after cleansing or shaving or to cool and soothe after a day in the sun. Apply extra moisturiser if necessary.
Ingredients: Aloe vera gel, witch hazel, rosewater, cold pressed avocado, wheatgerm and rose hip oils, pure essential oils of lavender, sandalwood, bergamot, cedarwood, frankincense, rosewood, sage, chamomile and tea tree, chlorophyll in soyabean oil and rosemary leaf extract.

“Made in Western Australia”

Hydrating Mists

55purse size /150ml

Gentle face and body mists for hydrating, cooling and refreshing your skin any time. Useful for air conditioned or heated environments. Facial mists are good for setting makeup or after moisturising. Indispensable for travellers.

Rose
Soften and de-stress your skin with our special additions of anti oxidant rich green tea extract and the regenerative and healing essential oils of rose and geranium.
Ingredients: Purified water, glycerine, green tea extract, extract of Japanese honeysuckle, plant derived solubiliser, essential oils of geranium, rose geranium and rose otto.

Lavender
We boost this mist with the toning qualities of witch hazel, the anti inflammatory benefits of lavender and the soothing and healing properties of aloe vera. Wonderful for sunburn. Calming for the body and mind. Try a spray at bedtime.
Ingredients: Purified water, glycerine, witch hazel, aloe vera, essential oils of lavender officianallis, lavendera angustifolia and latifolia and plant derived solubiliser.

Peppermint Foot Refresher
Rescue your hot, tired feet and legs with wonderfully cooling witch hazel, lively peppermint and deodorizing tea tree. Use the foot refresher on its own or as a finishing mist after a soak or pedicure.
Ingredients: Purified water, witch hazel, glycerine, plant derived solubilizer, essential oils of peppermint, tea tree, lavender and juniper.

Supernaturals

Skin Serum **30 ml**
A deeply penetrating feast for your skin. Plant proteins carry this elixir to the cellular level, promoting repair and regeneration. After cleansing, apply one or two pumps and gently massage into your skin. The serum will quickly absorb. Follow with a moisturiser or a pump of Golden C.
Ingredients: Rosewater hydrosol, vegetable glycerine, pure grain alcohol, vitamin E, xanthan gum, wheat amino acid, vitamin B, cold pressed oils of borage, carrot, jojoba and roship, extracts of bilberry, ginseng, gotu kola, green tea and kelp, essential oils of rosewood, lavender, myrrh, rose otto, tea tree, Japanese honeysuckle extract and chlorophyll in soyabean oil.

Golden C **30 ml**
Our antioxidant restorative blend to help prevent collagen breakdown, deeply nourish, smooth and improve tone and elasticity. Excellent for dry, mature or stressed skin. Golden C may be used after cleansing on its own or as an optimum treatment after the skin serum. Apply one or two pumps.
Ingredients: Olive derived squalane, cold pressed oils of jojoba, hazelnut, carrot soyabean and avocado, neroli hydrosol, glycerine, vitamin C ester, allantoin, lecithin, beeswax, sodium borate, essential oils of rosewood, geranium, pettigrain, elemi, and helichrysum, extracts of Japanese Honeysuckle and rosemary leaf.

Flower Power Facial Oil **28 ml**
Five superb flower oils deeply penetrate, rejuvenate and nourish. A mega dose of Vitamin E increases circulation and promotes the growth of new skin cells. We add three precious essential oils with superior skin conditioning qualities and glorious combined aroma. Flower Power can be used as a luxurious cleanser or moisturiser. Cleanse by massaging half a dropper in to the face and neck and remove with a warm damp cloth. As a moisturiser, massage with 7-8 drops.
Ingredients: Pure cold pressed oils of camellia, calendula, borage, rose hip, evening primrose, vitamin E, essential oils of neroli, jasmine and helichrysum.

Please Note: all products should be stored below 30C and after opening, used within 6 months. All of our recipes have been tested on willing family and friends, however even natural ingredients may cause allergic reactions in some people. We feel it is a good idea to test the products on a small area of skin before using in the recommended way. If any redness, swelling or sensitivity occurs within 30 minutes, discontinue use immediately and remove the substance well, using a constant flow of water. None of these formulations are meant to treat or diagnose any medical condition. For external use only. **Help us recycle. Return your glass containers and we will deduct 20 cents per container from your next purchase.**

“Tested on friendly Australians”

Moisturise Body

Baby's First Lotion (Good for big people too) 150 / 285ml

An absolutely pure and natural lotion made for baby's precious skin. Like all of our products, completely free of harsh chemicals, mineral oils, synthetic preservatives and synthetic fragrance. Our friendly Australians have found this to be a wonderful all purpose body and face lotion for grownups as well.

Ingredients: Purified water and rose hydrosol, cold pressed oils of olive, castor, jojoba, sweet almond, macadamia, safflower, apricot kernel, calendula, and wheat germ, plant derived emulsifiers, vegetable glycerine, cocoa butter, tincture of benzoin, extract of Japanese honeysuckle and pure essential oils of lavender and rose absolute.

Body Lotion - Wide Awake 150/ 285ml

An invigorating non-greasy body lotion best at the beginning of your day or any time to energise and lift the spirits.

Ingredients: Purified water, cold pressed olive, sweet almond, apricot kernel, macadamia and safflower oils, plant derived emulsifier, glycerine, tincture of benzoin and pure essential oils of cypress, juniper, lemongrass, palma rosa and patchouli.

Body Lotion - Sleep Tight 150/285ml

A calming and soothing non greasy body lotion, lovely for winding down at the end of the day, or any time.

Ingredients: Purified water, cold pressed oils of olive, sweet almond, apricot kernel, macadamia and safflower, plant derived emulsifier, glycerine, tincture of benzoin and pure essential oils of lavender, cedarwood, pettigrain, mandarin and vetiver.

Body Cream - Sweet Basil and Lemongrass 150/ 285ml

A deliciously rich nourishing body cream. Massage well and your skin will drink it in leaving a soft sheen.

Ingredients: Cold pressed oils of olive, sweet almond, safflower, macadamia and apricot kernel, cosmetic grade lanolin, cocoa butter, purified water, pure essential oils of lemon grass, sweet basil and soothing lavender, sodium borate and rosemary leaf extract.

Body Cream - Skin Tight 150 / 285ml

A rich nourishing and firming body cream with essential oils chosen to stimulate the circulation. Massage well in to your body concentrating on dimply bits.

Ingredients: Cold pressed oils of olive, sweet almond, safflower, macadamia and apricot kernel, cosmetic grade lanolin, cocoa butter, purified water, skin firming and strengthening extracts of horsetail and ivy, pure essential oils of lemon, lavender, cypress, juniper, black pepper, rosemary and patchouli, sodium borate and rosemary leaf extract.

Rosewood and Sage Handpotion 150/ 285ml

Rich, soft and silky with no greasy residue, this hand cream smells delicious and provides a light protective barrier.

Ingredients: Purified water, cold pressed oils of olive, sweet almond, macadamia, apricot kernel and safflower, plant derived emulsifier, cosmetic grade lanolin, cocoa butter, beeswax, sodium borate, tincture of benzoin, rosemary extract and essential oils of rosewood, sage, bergamot and lavender.

Healing Balm - Top to Toe 20 ml / 65 ml

A luxurious lip balm and perfect for improving and softening cuticles, soothing rashes, itchy bites and chapped, rough skin. Massage in well for best results.

Not recommended for cuts or serious burns.

Ingredients: Beeswax, cocoa butter, cold pressed oils of olive, macadamia, apricot, sweet almond, safflower, avocado, jojoba and wheatgerm, carrot and calendula, honey and vitamin E.

Blended Oils

All of our oil blends are 100% pure essential oils which can be used in burners, vaporisers and the bath. Our blends are also an excellent addition to massage oils: 50 drops per 100ml of carrier oil for adults, 25 drops per 100ml for children and pregnant women. Spice Blend and Lavender and Rosemary Blend should not be used in pregnancy.

Citrus Blend 12ml

Fresh and Tangy
Sweet Orange, Lemon, Lime, Mandarin, Bergamot and Pettigrain

Harmony 12ml

Calming and Balancing
Lavender Mt. Blanc, Sweet Orange, Lemon, Gurjun Balsam and Elemi

Revive 12ml

Invigorating and Uplifting
Lemon, Lavender - Mt. Blanc, Angustifolia and Latifolia, Lemongrass, Patchouli, Rosewood, Lime and Gurjun Balsam

Spice 12ml

Woody and Warm
Mandarin, Lemon, Patchouli, Nutmeg, Cinnamon and Clove.

Lavender and Rosemary 28ml

A very useful blend of these two popular oils - plus tea tree and cedarwood for the burner, sick room vaporiser or bath and a drop or two on a cotton ball in the linen cupboard or drawers is very effective instead of moth balls.
